"I enjoyed every bit of both sides,"
Tape and Turntable Column, Audio, 4/78

Philip Frank, Violin Bernard Frank, Piano
UMB-DD3 $14.95

You'll agree with **Audio Magazine** once you hear the exquisite sonatas composed by Efrem Zimbalist Senior and Junior, captured by Umbrella direct-to-disc technology.

Direct-to-disc eliminates the tape recorder to insure maximum dynamic range, wide frequency response, minimum distortion and lowest surface noise. The experts were impressed. You will be too!

SPEAKER INFORMATION KIT.

Get 70 pages of speaker facts in three fact-packed publications.

Speakerlab's Speaker Operating Manual covers everything you need to know to get the best performance out of any loudspeaker, including placement, wire gauges and allowable lengths, amp overloads, room acoustics, L-pad adjustments and impedences.

Our 54-page color catalog covers enclosures, designing your own speakers and driver principles as well as our line of nine easy-to-build speaker kits ranging from a miniature two-way system only ten inches high to a massive all-horn corner system.

"How To Hook Up Your System" spends twelve pages of text and diagrams really explaining system hookup. From where to place your electronics for maximum cooling to the intricacies of installing a cartridge, from eliminating hum to proper record care.

Get all three from the folks who take speaker information seriously...

"...jazz collectors as well as sound buffs will require this album."
Alan Penchansky, Audiophile Recordings Column, Billboard, 2/25/78

(45 RPM) RDC-3 $14.95

Listen to an expert. Then listen to this sizzling contemporary jazz performance by the Lew Tabackin Quartet, captured by RCA/RVC direct-to-disc technology.

Direct-to-disc eliminates the tape recorder to insure maximum dynamic range, wide frequency response, minimum distortion and lowest surface noise. An expert was impressed. You will be too!
